# Ten Key Benefits of Attending

*'I enjoyed how interactive and hands-on Pete's seminar is!'*

- 1. Experience a Myriad of NEW and Innovative Activities for Grades K-8 Physical Education**  
Learn a wide variety of new and innovative activities for strengthening your current PE program **including ideas for online and hybrid teaching**
- 2. Utilize Engaging, NEW Warm-up Activities to Use in the First 5-10 Minutes of Your PE Class**  
Learn new quick ways to get heart rates elevated in a fun, safe way ... Designed to get ALL kids moving for the entire time
- 3. Create a More Inclusive Physical Education Program Where All Students Feel Included and Successful**  
Discover practical ways to help all students experience success and positive involvement regardless of their abilities and experience
- 4. Optimize Your PE Instruction and Classroom Management**  
Integrate new, effective strategies into your PE program that will help your lessons fun more smoothly and provide you will tools to handle the unique situations that occur in PE in fair and equitable ways
- 5. Increase Your Repertoire of New and Innovative Activities for Building Teamwork Skills**  
Teamwork is the focus for these type of activities, with groups learning how to work together to accomplish a task
- 6. Incorporate Fun, Heart-Pounding, Activities in Your PE Program**  
Learn a variety of simple activities that are fun, highly active and easy to teach
- 7. Align your PE program with the National Standards for Physical Education and Classroom Academics**  
Learn innovative games and activities aligned with the National PE Standards that can be used to teach almost any academic subject
- 8. Develop Games That Build PE Skills**  
Learn mini-games that challenge the more accomplished athlete and are equally fun for those with lesser skills
- 9. Enhance Student Fitness**  
Discover a wide variety of fitness-based activities that are personally challenging but non-competitive in nature ... Your students will look forward to moving their bodies with non-traditional movement-based fitness activities that are FUN and easy-to-implement
- 10. Receive an Extensive Grades K-8 Physical Education Resource Handbook**  
You'll leave with an extensive physical education digital resource handbook designed specifically for grades K-8 physical education teachers that is packed with new and innovative activities you can use immediately in your own PE program whether in-person or online

## Who Should Attend

Physical Education Teachers  
and Specialists serving  
grades K-8

# Outstanding Strategies You Can Use Immediately

## What You Will Learn ...

- **Innovative and engaging fitness, manipulative skills and locomotor movement activities** for grades K – 8 **that can be used for in-class, online and hybrid teaching**
- **New, high-energy games and activities** that incorporate academics being taught in the classroom
- **New warm-up games** that get all students moving in a fun, safe way
- **Innovative ideas** more effectively managing your PE classes in inclusive ways that eliminate hurt feelings
- **Practical, engaging movement activities** that help create a fun, safe environment and promote the enjoyment of physical education
- **PE skills** that challenge the highly competent while meeting the needs of those with lesser skills
- **Proven ways to elevate the quality of PE skills** using high interest mini-games
- **Ways to help students learn to compete diligently** without the emphasis on winning and losing
- **Classroom-tested lesson plans** that are easy-to-follow and use limited equipment
- **Outstanding games and activities** to use in a limited-space environment
- **Proven methods** to level the playing field for your students with less physical ability
- New **activities and games** that develop and improve PE skills
- **Innovative ways** to make every PE class fun, energetic, fast paced, and enjoyable

*“Dennis is an excellent teacher! He has new material every time I take a seminar by him.”*

– LAURA HARLIN, PE TEACHER

## Practical Ideas and Strategies

Whether you are a grades K-8 PE specialist or a classroom teacher responsible for teaching your own PE, you are sure to find many new, engaging and innovative activities to increase student success and the effectiveness of your physical education program. You will have a chance view clips of a wide variety of engaging PE activities presented throughout the day. In this unique seminar you will learn dozens of new and innovative activities designed to encourage maximum participation, regardless of one’s skills, or special needs whether you are teaching at school or online.

You will see variety of quick, easy ways to create an environment where no child feels excluded and is able to experience success at his or her own level. Throughout the seminar the emphasis will be on having fun while learning together. Even if you are teaching in a limited space, you will find innovative ways to raise heart rates and maximize participation at the same time. Teamwork will be a component of almost every activity shared throughout this highly active seminar.

***Don’t miss this unique opportunity to experience the idea -packed seminar that encourages maximum participation in physical education for all students. You will leave with dozens of strategies and activities you can use immediately in your own physical education program.***

# A Message From Your Seminar Leaders, Dennis Stands and Pete Charrette

## Uniquely Qualified Instructors

**DENNIS STANDS** is an experienced physical education teacher, outstanding presenter and author. He brings more than 30 years of teaching experience and for the past 18 years has been conducting PE teacher trainings nationwide.

Dennis is passionate about making PE a fun and successful experience for all students, regardless of their ability level and presents activities designed for maximum participation, involving teamwork, skills and fun as major components. Participants find Dennis' seminars to be fast moving and filled with practical ideas that can be immediately incorporated into physical education programs.

**PETE CHARRETTE**, creator of Cap'n Pete's Power PE, is an award-winning, nationally-board certified physical education teacher with more than 30 years teaching experience. Pete has also served as a national board professional teaching standards trainer. He has developed more than 700 PE and health resources that are currently being used by educators across the world, Pete has presented and keynoted at the district, state and national levels and has designed an award-winning physical education website. He has an impactful online presence that includes a popular PE blog and has presented online for prominent global PE summits and been a guest on PE podcasts.

Dear Colleague:

You are invited for a fast-paced day of sharing many new and innovative games and activities that will "spice up" your current PE program! Your students will thank you for showing them how much fun PE can be while learning and laughing through motivating games and activities that build PE skills.

You will experience a wide variety of activities, proven to bring a fun spark to your PE program. No matter your teaching situation, even if limited by space or equipment, you are sure to find many new and innovative games, always with an emphasis on maximum participation.

All the activities that will be shared with you have been extensively and successfully used with grades K-8 students with a wide variety of PE skills and experience. ***Whether you are teaching in-person, online or in a hybrid teaching environment you will leave with an array of ideas and activities you can use the next day in your own PE classes.***

This will be a packed day of learning to help make your PE program the best it can be.

Sincerely,

Dennis Stands

Pete Charrette

P.S. You will receive **an extensive grades K-8 physical education digital resource handbook** written specifically for this seminar, filled with all the activities you will experience during the seminar.

*"You will experience a wide variety of activities, proven to bring a fun spark to your PE program."*

# What Your Colleagues Say About Dennis Stands and Pete Charrette

*"So excited to have a non-sports based PE program. **This seminar will help me develop a more fitness-based program.**"*

Cheyenne Freeman, Grades 6-8 PE Teacher

*"This is a **great mid-year booster for my PE class** and the games we play."*

Toni Reynolds, PE Teacher

*"Even with 29 years of teaching elementary PE under my belt, **I will start the day tomorrow with great, new ideas!**"*

Kristi Reynier, K-3 PE Teacher

*"**Wonderful!** I came away with lots of good ideas."*

Mike Rodgers, PE Teacher

*"Everything that was shared with us was perfect. **I can take all of it and implement it immediately into my own PE program.** Had a ton of fun and enjoyed the entire seminar. I have been teaching for 32 years and learned a lot today."*

Blake Chong, K-5 PE Teacher

## About BER Live Online Seminars

**With the current health challenges, all BER in-person PD events are currently being presented in a Live Online format:**

### **Outstanding Instructors**

All programs are led by outstanding BER national trainers

### **Extensive Resource Handbooks**

You'll have access to an extensive digital Resource Handbook before, during and after your seminar

### **Highly Interactive**

You'll be able to ask questions in real time and interact with the instructor and other participants

### **Program Guarantee**

As we have for 43 years, we guarantee the high quality of our programs. If you are not satisfied, we'll give you a 100% refund.

# Special Benefits of Attending

*'I loved Pete's practical solutions to the challenges I face every day.'*

## On-Site Training

Most BER seminars can be brought to your school or district in-person or online. See the options at [www.ber.org/onsite](http://www.ber.org/onsite) or call 877-857-8964 to speak to one of our On-Site Training Consultants.

## Extensive Digital Physical Education Resource Handbook

Each participant will receive an extensive digital resource handbook giving you access to countless strategies before, during and after the seminar. The handbook includes:

- New games, even with limited space that keeps everyone moving for a short period of time
- Cool-down activities, used following an active class, before sending students back to the classroom
- Fun, easy-to-learn activities that build PE skills
- Interesting and fun activities requiring the entire group to work together

## Share Ideas with Other PE Teachers

This seminar provides a wonderful opportunity for participants to share ideas with other educators interested in enhancing their grades K-8 physical education programs.

## Consultation Available

Your instructors will be available to answer your specific questions and the unique needs of your own PE program.

## Meet Inservice Requirements / Earn State CEUs

Participants of both the Live Online Seminar and those completing the Recorded Version online can receive a certificate of participation that may be used to verify five continuing education hours. In addition, state CEUs are available for both versions of the course. For details, visit [www.ber.org/ceus](http://www.ber.org/ceus)

## Earn One to Four Graduate Semester Credits

Up to four graduate level professional development credits are available with an additional fee and completion of follow-up practicum activities. Details for direct enrollment with Brandman University, part of the Chapman University system, will be available at this program.

## Can't Attend?

### Other Professional Development Options:

#### Recorded Version of the Seminar

Both courses will be video recorded and available to take online at your convenience. You'll have access to the entire course and to the extensive digital resource handbook. Optional CEUs and graduate credit available. To enroll in either course, see registration form on page 7.

#### Related On-Demand Online Course

A related On Demand Video-Based Online Learning course, *Innovative, New Activities for Strengthening Your Physical Education Program*, for Grades K-8, is available for immediate registration. To enroll, visit [www.ber.org/online](http://www.ber.org/online)
